The Honorable Bruce Rauner  
Governor  
207 State House  
Springfield, Illinois 62706

And

The Honorable Members of the Illinois General Assembly  
State House  
Springfield, Illinois 62706

Dear Governor Rauner and Members of the Illinois General Assembly:

On behalf of the Public Pension Division of the Illinois Department of Insurance, and pursuant to Section 1A-108 of the Illinois Pension Code (40 ILCS 5/1A-108), I am pleased to submit the 2015 Biennial Report ("Report") of the Public Pension Division (the "Division") of the Illinois Department of Insurance.

The enclosed Report outlines the history of the Division and public pension funds and retirement systems in the State of Illinois; outlines the Division's recommendations for the next biennial period; and provides a detailed summary of the financial status of each public pension fund and retirement system in the State.

Sincerely,

A handwritten signature in black ink, appearing to read "Anne Dowling", written over the typed name and title.

Anne Melissa Dowling

## **INTRODUCTION**

In compliance with Section 1A-108 of the Illinois Pension Code (40 ILCS 5/1A-108), the Public Pension Division (the “Division”) of the Illinois Department of Insurance (the “Department”) submits this 2015 Biennial Report on the activities and recommendations of its Division and the financial condition of the State’s 672 public funds and retirement systems for the calendar years 2013 and 2014.

## **EXECUTIVE SUMMARY**

The Division is tasked with the compilation, maintenance and reporting of financial, statistical and actuarial data of the public pension funds and retirement systems in the State of Illinois. Section 1A-108 (40 ILCS 5/1A-108) states that “the Division shall submit a report to the Governor and General Assembly setting forth the latest financial statements on the pension funds operating in the State of Illinois, a summary of the current provisions underlying these funds, and a report on any changes that have occurred in these provisions” since the last report and “the report shall include the results of examinations made by the Division of any pension fund and any specific recommendations for legislative and administrative correction that the Division deems necessary.”

The biennial period of 2013-2014 resulted in an increase in net pension assets, which grew from \$138.7 to \$158.2 billion dollars. In addition, total pension fund membership under the Illinois Pension Code (actives plus beneficiaries) totaled 1.064 million participants, an increase from 1.045 million participants in the last biennial period. Accrued actuarial reserve liabilities grew to \$316 billion, up from \$283 billion. Unfunded liability increased during the biennial period, from \$144 billion to \$158 billion, resulting in a slight increase in funded status from 49.0% to 50.0% funded. Therefore, regardless of the increase in assets, number of participants and liabilities, the funded status of public pension funds remained unchanged during the biennial period.

In order to compile the financial, statistical and actuarial data contained in this Report, the Division’s financial analyst pulled financial and participant data from the annual statements filed by the pension funds with the Division pursuant to the Illinois Pension Code. The Department maintains “P.A.S.S.,” the Pension Annual Statement System, which allows funds to file data with the Department and the Department to maintain that data. To compile the actuarial data the Division’s financial analyst pulled actuarial valuations from P.A.S.S. and entered that data, as well as annual statement financial data, into the Microsoft Excel program to provide the overview of each fund contained in the 10 Year Profile Reports found in the last chapter. Finally, the Division’s financial analyst provided a number of written endnotes for each data sheet, highlighting important factors and notes for each data set.

## **HISTORY OF PUBLIC PENSIONS IN THE STATE OF ILLINOIS**

The first law passed in Illinois for public sector employees was enacted in 1849 when a plan was established

for volunteer Chicago firemen who were disabled while on duty. Pension provisions for policemen were initially made in 1861, and the first non-public safety pensions were implemented in 1895 for school teachers and employees.

In 1915, the Illinois State Legislature noted that no investigation had been made of existing pension laws nor had the condition or affairs of the pension funds been examined. An investigatory commission, the Commission of 1916, found that further review of the pension situation in the State of Illinois was warranted. As a result, in 1917, the Governor signed into law the “Act Providing for Creation of the Illinois Pension Laws Commission, and Defining its Powers and Duties.” The Pension Laws Commission was created to investigate the operation of all pension laws, gather information as to the present and probable future cost of maintaining the funds, and to collect information in regard to the operation of similar laws in other states. The Pension Laws Commission was further empowered to report on the results of its investigations together with any recommendations to the Governor and Illinois General Assembly.

On January 8, 1919, Governor Frank O. Lowden delivered a message to the General Assembly regarding the Pension Laws Commission’s ongoing investigation. Governor Lowden stated, “The commission has made a very exhaustive study of the subject...Among other things, however, that commission has found that nearly all, if not all, of the several pension funds are hopelessly insolvent. These funds were established with wholly inadequate provisions for their future...I recommend that your Honorable Body give its fullest consideration to this entire subject.” (See “Illinois Pension Laws Commission Report,” by Hooker, George Ellsworth and Pension Laws Commission, 1918-1919, p. 4). In 1919, the Pension Laws Commission concluded its mission by submitting an analysis of public pension plans operating in Illinois to the Governor.

The Pension Laws Commission 1919 Report recommended “A Standard Plan for a Comprehensive and Permanent, Consolidated System for Old-age Retirement Annuities, Life Insurance Providing Widows’ Annuities, and Sickness and Accident Insurance for Employes (*sic*) of the Public in Illinois.” This plan outlined a standard funding method that included compulsory employee and employer (state and municipal government) contributions to help ensure the financial soundness of the pension systems; a consolidation of the various funds; and the consolidation of the funds’ assets in a Central State Supervising Board. The study also recommended continued study of pension fund issues (See *e.g.*, Pension Laws Commission 1919 Report, p. 25). It is notable that the 1919 Pension Laws Commission recommended similar solutions to the State’s pension issues as those proposed in Governor Rauner’s ‘Turnaround Agenda,’ namely, compulsory contributions and the consolidation of the funds’ assets (as applied to Article 3 and 4 pension funds).

In 1927, the Illinois State Legislature responded to the Pension Laws Commission Report by passing an act empowering the Director of Trade and Commerce to examine and report upon pension benefit funds. As a result, a new Public Pension report was generated by that agency in 1930. In 1933, the Department of Insurance was invested with the powers previously delegated to the Department of Trade and Commerce. As a result, the Biennial Report has been published by the Department of Insurance since 1939.

It was not until 1949 that a division devoted to the regulation of public pensions was established. The Division functioned under the 1949 Act until July 1, 1963, at which time the Illinois Pension Code was passed. In 1993, the Illinois Compiled Statutes changed the citations of the Illinois Pension Code to the format in force today. The Illinois Pension Code is found in Chapter 40 of the Illinois Compiled Statutes and the Division’s authority is found in Article 1A of the Illinois Pension Code.

## **OVERVIEW OF THE PUBLIC PENSION DIVISION – ILLINOIS DEPARTMENT OF INSURANCE**

The Public Pension Division of the Illinois Department of Insurance is charged with regulating the public pensions in the State of Illinois. Section 1A-101 of the Illinois Pension Code states: “There is created in the Department of Insurance a Public Pension Division which, under the supervision and direction of the Director of Insurance, shall exercise the powers and perform the duties and functions prescribed under this Code.” (40 ILCS 5/1A-101). Section 1A-101 further states that the Division shall consist of an administrator, a supervisor and technical staff trained in the fundamentals of public pension fund planning, operations, administration and investment of public pension funds.

The Illinois Pension Code sets forth broad areas of authority which guide the operation of the Division:

1. Rulemaking authority vested in the Illinois Department of Insurance to promulgate regulations necessary for the administration and enforcement of the Pension Code (Section 1A-103);
2. Audit compliance examinations of the affairs of all public employee pension funds and retirement systems in the state (Section 1A-104);
3. Examinations and investigations of records and witnesses, under oath, of any officer, trustee, agent, actuary, attorney, or employee connected directly or indirectly with any pension fund, or any other person having information regarding the condition, affairs, management, administration, or methods of conducting a pension fund (Section 1A-105);
4. Providing advisory services to pension trustees and participants, as well as members of the General Assembly on all matters pertaining to the operation of public pension funds and retirement systems (Section 1A-106);
5. Automation of the Division’s operations, services, and communications to the fullest practical extent (Section 1A-107);
6. Biennial Reporting (Section 1A-108);
7. Accumulation of financial and statistical data pertaining to the operation of all such pension funds and retirement systems (Section 1A-109);
8. Production of an annual actuarial valuation by an Enrolled Actuary for Article 3 and 4 pension funds (Sections 3-125 and 4-118); and
9. Enforcement authority, including issuance of Notices of Noncompliance, Administrative Hearings, Director’s Orders and assessment of civil penalties, to assist in addressing non-compliance with the provisions of the Illinois Pension Code (Section 1A-113).

The Division’s activities in these areas of authority vary in degree and intensity. The Chicago, Cook County, and Statewide pension funds and retirement systems have sufficient operating budgets that allow fund trustees to hire professional administrators and specialists to assist with their statutory function. As a result, the Division’s role with those funds is more heavily concentrated on data collection, coordination and periodic

investigations. The 657 suburban and downstate police and fire pension funds established under Articles 3 and 4 are individually operated by five member trustee boards. The trustee boards consist of two active participants, one beneficiary, and two municipal appointees. Often, trustees on Boards of Trustees for Article 3 and 4 pension funds do not have access to sufficient staff support. As a result, the vast majority of advisory services provided by the Division are utilized by Article 3 and 4 pension funds.

## **INVESTIGATIONS AND EXAMINATIONS – COMPLIANCE AUDIT EXAMINATIONS**

Section 1A-104 of the Pension Code states: “The Division shall make periodic examinations and investigations of all pension funds established under this Code and maintained for the benefit of employees and officers of governmental units in the State of Illinois.”

Pursuant to 40 ILCS 5/1A-104(a), the Division utilizes a periodic examination process for the Chicago and Cook County pension funds under “agreed upon procedures” and in conjunction with their CPA financial audit. This process has been beneficial to both the pension funds and the Division by concentrating on areas not previously covered in the annual financial audit. Though the Division has the authority to perform compliance audit examinations on all pension funds and retirement systems created under the Pension Code, the Auditor General performs audits on the five pension systems funded by the state.

Pursuant to Section 1A-104(b), the Division shall conduct Police and Fire compliance audit examinations on a three (3) year cycle. The 657 suburban and downstate police and firefighter pension funds range from very small (1-2 participants) to very large (more than 600 participants). During the years 2013 and 2014, the Division’s audit staff was composed of one manager and an average of five (5) auditors at any one time. To comply with the three (3) year cycle would require the completion of 220 audits per year. At current staff capacity and resources, the Division’s auditors would have to complete one (1) audit per every four (4) work days. In order to comply with the three (3) year cycle, the Division would require an audit staff of at least eight (8) field auditors and two (2) audit managers.

The examination of a small fund is typically completed within weeks, while the examination of a larger fund may take several months. To the extent possible, the Division has worked to streamline the audit process to maximize the number of examinations completed within existing resource and revenue limitations.

In 2013, the Division completed 83 compliance audit examinations, and in 2014, the Division completed 88 compliance audit examinations. In 2013 and 2014, the Division audited pension funds that had 10,310 total participants and total assets of \$2.38 billion. During the same period, the Division’s audit examination staff decreased from seven (7) auditors to five (5) auditors. The Division’s audit productivity (in amount of audits completed per audit examination staff) increased by 158% during the biennial period. The Division is currently operating on a seven (7) year cycle and is continuing its efforts to meet the statutorily mandated three (3) year cycle.

A compliance audit examination of a suburban and downstate police or firefighter fund conducted by the Division includes a comprehensive review of pension awards, contributions, management and administrative practices of the Board of Trustees of the pension fund. The Division reviews in detail all actions taken by the

Board pertaining to the operation of the fund to determine compliance with the Illinois Pension Code, Illinois Administrative Code and relevant state law. For funds with fewer than approximately 40 participants, the Division performs a desk audit, rather than a field audit, to preserve resources and increase efficiency.

Upon completion of the desk or field audit, a written report is prepared by the Division reflecting the results of the examination. The draft report summarizes the examiner's findings and contains specific recommendations to the Board of Trustees for implementing any required actions. The Board is given an opportunity to respond to the Division's findings, and then a final Report of Examination is prepared. If no hearing on the Report of Examination is requested, a Director's Order is issued ordering corrective action be taken with respect to the findings contained in the Report.

After the Board implements the corrections, or if no corrections are required, the Report of Examination is filed as a public record. The written response to the audit filed by the Fund is also considered part of the public record.

In 2014, the Division undertook a backlog elimination project, reviewing and issuing final Reports of Examination and Director's Orders in a number of pending audits. Due to an overhaul of the process and procedures for issuing Director's Orders resultant from compliance audit pension examinations, the Division inherited a backlog of 143 audits. During the biennial period, with the help of the Legal Division, the Division closed 80 outstanding audits.

The most challenging demands of the compliance audit examination process are reviewing payroll records to ensure correct contributions have been withheld from active employees, reviewing that benefit awards granted to pensioners comply with the provisions regarding salary in the Illinois Pension Code and the Illinois Administrative Code, and reviewing investments to ensure compliance with the appropriate limitations on types of investments set forth in the Pension Code and that the portfolio is properly diversified. Incorrect contributions and/or benefit calculation discrepancies are responsible for the highest percentage of audit findings. The second most common findings are managerial and administrative issues followed by noncompliance with documentation and filing requirements.

## **INVESTIGATIONS AND EXAMINATIONS – NOTICES OF NONCOMPLIANCE**

Section 1A-113(d) of the Illinois Pension Code provides that the Division may issue Notices of Noncompliance to governmental units for failure to comply with any provision of the Illinois Pension Code (40 ILCS 5/1A-113(d)). This section states, "Whenever the Division determines, by examination, investigation, or in any other manner that the governing body or any elected or appointed officer or official of a governmental unit has failed to comply with any provision of that law," the Director "shall notify in writing the governing body, officer, or official of the specific provision or provisions of the law with which the person has failed to comply." The governmental unit must then take immediate steps to comply with the law. Upon receipt of the Notice, the municipality has thirty (30) days to comply with the provisions of the Illinois Pension Code. If compliance is not met, the Director may, but is not required to, hold a hearing for the municipality to show good and sufficient cause for the noncompliance. If, after a hearing, good cause is not shown for the failure to comply, the Director may order compliance. If compliance is still not shown, the Director may carry out

additional administrative action, including the levying of a civil penalty or referral of the noncompliance to the Illinois Attorney General.

The Division issued six (6) Notices of Noncompliance in 2013 and thirty-three (33) Notices of Noncompliance in 2014 to municipalities for failure to comply with the financing provisions of the Illinois Pension Code for downstate police and fire pension funds. Sections 3-125 and 4-118 of the Illinois Pension Code outline the minimum municipal funding requirements for downstate police and fire pension funds (40 ILCS 5/3-125 and 5/4-118). These sections state, in pertinent part: “the city council or the board of trustees of the municipality shall annually levy a tax upon all the taxable property of the municipality at the rate on the dollar which will produce an amount which, when added to the deductions from the salaries or wages of [police officers or firefighters], and revenues available from other sources, will equal a sum sufficient to meet the annual requirements of the [police or fire] pension fund.”

As a result of these Notices of Noncompliance, the Department held two (2) administrative hearings, and settled one (1) matter short of a hearing. One (1) matter, “In the Matter of Noncompliance of the Village of North Riverside” was brought on administrative review and the Director’s Order finding that the Village of North Riverside did not show good and sufficient cause for failure to comply with the financial provisions and ordering compliance was upheld by the Circuit Court of Cook County. Additionally, the Division received proof of compliance from eight (8) municipalities upon issuance of the Notice of Noncompliance and prior to an administrative hearing. During the biennial period, as a result of the Division’s regulatory efforts and issuance of Notices of Noncompliance, an additional \$845,755 of owed contributions was made to Article 3 and 4 pension funds. The Division is continually working to ensure that municipalities comply with provisions of the Pension Code, including the financing provisions.

## **COLLECTION OF FINANCIAL, ACTUARIAL, AND STATISTICAL DATA**

Section 1A-109 of the Illinois Pension Code provides that “each pension fund shall furnish to the Division an annual statement in a format prepared by the Division.” The Division receives and reviews annual statement data from all 672 pension funds and retirement systems. The Division uses this information for a variety of purposes: to generate Biennial Reports, to prepare various special reports used by organizations and government agencies for a variety of purposes, to prepare actuarial valuation reports and to guide regulatory efforts. The data is collected through an automated annual statement portal, the “Pension Annual Statement System,” (“P.A.S.S.”) accessed through the Department of Insurance website. Data submitted by each system includes the following:

- An income statement and balance sheet reflecting all financial activities of the fund;
- A detailed statistical report showing active membership of the fund and retirees and annuitants receiving benefits;
- A complete investment portfolio breakdown.

P.A.S.S. contains an audit program which identifies discrepancies when the annual statement is submitted by the fund. Additionally, during the biennial period, the Division undertook a new process to perform an in depth review of the “Schedule P” (the participant, retiree and annuitant report) information filed as part of the annual statement. The Division employs a pension analyst who reviews Schedule P information and participant data, and works with pension funds to address any discrepancies in their reporting. In order to accomplish this

task, the Division and pension funds review the “Benefit Discrepancy Report” which would identify potential problems with participant data found in the “Schedule P” of the annual statement filings. If discrepancies are identified, the annual report may be rejected and the fund is notified of the discrepancies so that corrections can be made. Annual statements are not accepted until all significant discrepancies are corrected. It is the Division’s goal to ensure that all filings contain accurate data, and the Division works closely with pension funds to address any data issues.

The Division maintains historical annual statement and correspondence files on each of the 672 pension funds and retirement systems. Detailed information is gathered on the 657 suburban and downstate police and fire pension funds, while summary data is maintained on the fifteen (15) large Statewide, Cook County, and Chicago pension funds. The automated submission of annual statements through P.A.S.S. has greatly increased the Division’s ability to receive a high volume of data and to store and retrieve it in a timely manner.

## **ADVISORY SERVICES**

Section 1A-106 of the Illinois Pension Code states: “The Division shall render advisory services to the pension funds on all matters pertaining to their operations and shall recommend any corrective or clarifying legislation that it may deem necessary.” The section also states: “The recommendations may embrace all substantive legislative and administrative policies, including, but not limited to, matters dealing with the payment of annuities and benefits, the investment of funds, and the condition of the books, records, and accounts of the pension fund.”

Through the advisory services program, the Division provides a variety of services to the 672 pension funds established under the Illinois Pension Code. These include:

- Participating in training workshops, seminars, and conferences of various organizations representing trustees and participants to clarify pension issues and to assist trustees in meeting continuing education requirements;
- Responding to requests for advisory opinions, including thousands of e-mails and letters during the biennial period;
- Maintaining a toll-free number for use by trustees, active participants, retirees, municipal officials and the general public;
- Making available online resources for trustees and participants on the Department of Insurance website; and
- Providing updates on legislation, annual statement issues and other information through electronic mailings and posting on the Division’s website.

## **ACTUARIAL SERVICES**

Sections 3-125 and 4-118 of the Illinois Pension Code provide an enrolled actuary employed by the Department shall determine the statutorily required minimum annual employer contribution to the Article 3 and

4 pension funds. (40 ILCS 5/3-125 and 4-118). The Division maintains a contract with an enrolled (pension) actuary to perform the valuations and produce the actuarial valuation reports for each Article 3 and 4 pension fund. The enrolled actuary utilizes the data gathered in the annual statement process and via P.A.S.S. to generate actuarial valuations for each of the suburban and downstate police and firefighter pension funds. If an Independent Actuary is used to determine the statutorily required minimum annual employer contribution, the actuarial valuation must be filed within nine months of the end of the fiscal year. Pursuant to Sections 3-125 and 4-118 of the Illinois Pension Code, the lower of the two actuarial valuations, if applicable, is used to determine the statutorily required minimum annual employer contribution.

## INTRODUCTION

This Section is devoted to an overview of legislative changes, organized by Public Act effective date, which became effective during this biennial period. Please note that both Public Act 98-0599 and Public Act 98-0641 were found unconstitutional and are void.

### PA 98-0042

Public Act 98-0042 amends the Teachers' Retirement System of the State of Illinois Article of the Illinois Pension Code (Article 16) to provide that the 'early retirement without discount' option is extended to July 1, 2016 with detailed statutory changes:

- Requires retirement before July 1, 2016; and
- Requires the employee to obtain the approval of the last employer, granted in accordance with criteria adopted by that employer, with the mutual consent of the bargaining agency of a majority of the employees.

Further provides that these new conditions do not apply to certain members who:

- Attain age 55 during the period July 1, 2013, through December 31, 2013;
- File a notice of intent to retire with the employer on or before June 30, 2013; and
- Have a last day of teaching on or before June 30, 2013.

Public Act 98-0042 requires the System to provide to members, within 120 days after the option is terminated, an application for a refund of unused contributions made for that purpose (rather than providing the refund itself within 120 days). Public Act has an effective date of June 28, 2013.

### PA 98-0043

Public Act 98-0043 amends the Chicago Police, Firefighter, Municipal Employees', and Laborers' Articles of the Illinois Pension Code (Articles 5, 6, 8 and 11) to stipulate that the pertinent retirement board will pay to the city on the behalf of annuitants who participate in the city's health plans the following amounts until the city no longer provides a health care plan for such annuitants, or December 31, 2016, whichever comes first:

- \$95 per month for each such annuitant who is not eligible to receive Medicare benefits; and
- \$65 per month for each such annuitant who is eligible to receive Medicare benefits.

Public Act 98-0043 has an effective date of June 28, 2013.

**PA 98-0092**

Public Act 98-0092 amends the State Universities Retirement System Article (SURS) of the Illinois Pension Code (Article 15). The Public Act incorporates the language from the Tier 2 Reform Act, Public Act 96-0889, into the SURS article of the Pension Code. Public Act 98-0092 has an effective date of July 17, 2013.

**PA 98-0108**

Public Act 98-0108 amends the State Employees Group Insurance Act of 1971 and the Illinois Pension Code to specify that those Acts do not apply to board members of the Regional Transportation Authority, Metra, CTA, and Pace who first become members of those boards on or after the effective date of the amendatory Act with respect to service on those boards. Public Act 98-0108 has an effective date of July 23, 2013.

**PA 98-0218**

Public Act 98-0218 amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code (Article 7) to provide that the Board shall determine the amortization period to be used in calculating the amount to be contributed by participating municipalities and participating instrumentalities in order to adjust for changes in the Fund's unfunded accrued liabilities. The statutory change requires that the amortization period must not exceed 30 years for participating municipalities or 10 years for participating instrumentalities. This amendment provides that participating employees are allowed to withdraw additional contributions only to the extent permitted by the federal Internal Revenue Code of 1986. Finally, this amendment requires the Board to meet at least quarterly (rather than monthly). Public Act 98-0218 has an effective date of August 9, 2013.

**PA 98-0389**

Public Act 98-0389 amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code (Article 7). This statutory change stipulates that an annuitant must be considered a participating employee if he or she returns to work as an employee with a participating employer, and works more than 599 hours annually (or 999 hours annually with a participating employer that has adopted a resolution excluding from participation in IMRF any person employed in a position normally requiring performance of duty for less than 1000 hours per year). This statutory change requires that each of these annual periods must commence on the month and day upon which the annuitant is first employed with the participating employer following the effective date of the annuity. Public Act 98-0389 has an effective date of August 16, 2013.

**PA 98-0391**

Public Act 98-0391 amends the Downstate Firefighter Article of the Illinois Pension Code (Article 4). In certain cases where a deceased firefighter left a surviving minor child but no surviving spouse, the amendment increases the pension payable to the guardian of the child from 12% to 20% of the firefighter's monthly salary. For eligible persons receiving the 12% pension on the effective date, the increase takes effect on the pension payment date occurring on or next following the effective date of this amendatory Act. The amendments of Public Act 98-0391 apply without regard to whether the deceased firefighter was in service on or after the effective date of the act. Public Act 98-0391 has an effective date of August 16, 2013.

**PA 98-0427**

Public Act 98-0427 amends the Chicago Teacher's Pension Fund Article of the Illinois Pension Code (Article 17) by specifying, for the definition of "member," that an employer may not reclassify a non-hourly employee as an hourly employee for the purpose of evading or avoiding its obligations. Public Act 98-0427 further provides that any certified teacher or staff employed by a corporate or non-profit entity engaged in the administration of a charter school shall presumptively be a participant in the Fund, unless the organization establishes to the satisfaction of the Board of Trustees of the Fund that an individual certified teacher or staff member is not working as a teacher or administrator directly or indirectly with the Charter School. Public Act 98-0427 changes and imposes the penalties for failure to submit payroll records and pension contributions on time. Additionally, Public Act 98-0427 provides that an employer in possession of member contributions deducted from payroll checks is holding Fund assets, and thus becomes a fiduciary over those assets. Finally, Public Act 98-0427 requires each Charter School to appoint an administrator as a Pension Officer who is responsible for certifying payroll information and contributions due and assuring resolution of reported payroll and contribution deficiencies. Public Act 98-0427 has an effective date of August 16, 2013.

**PA 98-0439**

Public Act 98-0439 amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code (Article 7) to provide that, for service transferred from a downstate police pension fund under a specific provision, credits and creditable service must be granted upon transfer of those credits to IMRF. This statutory revision states that if the board determines the amount transferred is less than the true cost to the Fund of allowing that creditable service to be established, then in order to establish that creditable service, the member must pay to the Fund an additional contribution equal to the difference. If the member does not make the full additional payment prior to termination of his participation with that employer, then the creditable service must be reduced by an amount equal to the difference between the amount transferred and the true cost to the Fund of allowing that creditable service to be established. The involved board is authorized to establish, by rule, the manner of making the required calculation. Public Act 98-0439 has an effective date of August 16, 2013.

**PA 98-0449**

Public Act 98-0449 amends the State Employees' Retirement System (SERS) Article of the Pension Code (Article 14). This Public Act redefines "compensation" to exclude any stipend payable for service on a board or commission after July 1, 2013. The Public Act also amends the Chicago Teacher's Pension Fund Article of the Illinois Pension Code concerning the composition and election of members of the Board of Trustees of the Public School Teachers' Pension and Retirement Fund. Public Act 98-0449 has an effective date of August 16, 2013.

**PA 98-0551**

Public Act 98-0551 amends the Cook County Employees' and Officers' Annuity and Benefit Fund Article of the Illinois Pension Code (Article 9) to provide that the determination of salary shall be based upon the actual sum paid and reported to the Fund. Further, it creates exclusion for "extra service" amounts. It also defines "salary" for disability purposes as well as defines the term "earned annuity." Public Act 98-0043 authorizes the

Board of Trustees to have any records kept by the Board photographed, microfilmed, or digitally or electronically reproduced; specifies that the reproductions shall be deemed original records and documents for all purposes, including introduction in evidence before all courts and administrative agencies. Public Act 98-0043 has an effective date of August 27, 2013.

**PA 98-0561**

Public Act 98-0561 amends the Public Safety Employee Benefits Act (PSEBA) to require a full-time law enforcement, correctional or correctional probation officer, or firefighter (PSEBA recipient) to file a PSEBA Recipient Reporting Form with his or her employer. The instituted changes provide that the Commission on Government Forecasting and Accountability (COGFA) must remit a copy of the form to all employers subject to the Act and must make a copy available on its website. The collected information is exempt from the requirements of the Freedom of Information Act except for data collected in the aggregate that does not contain personally identifiable information.

In accordance with Public Act 98-0561, COGFA must submit a report to the Governor and Illinois General Assembly setting forth prescribed information by June 1, 2014, and by January 1 of every even-numbered year thereafter beginning in 2016. COGFA is required to make the report available electronically on a publicly accessible website. Public Act 98-0561 has an effective date of August 27, 2013.

**PA 98-0599**

Public Act 98-0599 amended the Illinois Pension Code, with an effective date no earlier than June 1, 2014. The Act applies to all active, inactive and retired Tier I members (service before January, 2011). Tier II members are not affected. The Act reduces the annual pension adjustments for current and future retirees and requires the skipping of a certain number of the annual pension adjustments for employees retiring on or after July 1, 2014. The number of annual adjustments to be skipped is based on the employee's age at the time the Act becomes effective. In addition, the Act caps the pensionable salary amount and increases the retirement age on a graduated scale and creates funding guarantees requiring the State to make applicable contributions. The Act also reduces the employee contribution toward retirement benefits by one percentage point. Public Act 98-0599 has an effective date of June 1, 2014.

\*\*On May 8, 2015, in the matter of In Re Pension Reform Litigation, the Illinois Supreme Court unanimously ruled Public Act 98-0599 unconstitutional.

**PA 98-0641**

Public Act 98-0641 amends Article 1, the Chicago Municipal Employees', Officers' and Officials' Annuity and Benefit Funds and the Chicago Laborers' and Retirement Board Employees' Annuity and Benefit Fund Articles of the Illinois Pension Code (Articles 8 and 11) by defining the City of Chicago's required annual contributions to the Fund, caps current pension levy amounts to the full required contribution amount, incrementally increases employee contributions and makes changes to retirement benefits for Tiers 1 and 2 members. Public Act 98-0641 has an effective date of June 9, 2014.

\*\*On July 24, 2015, in Jones et al. v. Municipal Employees' Annuity and Benefit Fund of Chicago, et al., in which the City of Chicago and State of Illinois intervened on behalf of the Defendants, Public Act 98-0641 was found unconstitutional by the Cook County Circuit Court.

**PA 98-0729**

Public Act 98-0729 amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code (Article 7) to provide that upon creation of a new downstate police pension fund by referendum or census, IMRF must transfer the new pension fund:

- The employee contributions for service as a police officer of the municipality that is creating the new pension fund, plus interest;
- An amount representing employer contributions, equal to the total amount determined under the aforementioned item

Public Act 98-0729 also provides that the transfer shall terminate any further rights of such employees under IMRF that arise out of that service. Also amends the State Mandates Act to require implementation without reimbursement. Public Act 98-0729 has an effective date of July 16, 2014.

**PA 98-1117**

Public Act 98-1117 amends the General Assembly Retirement System, Downstate Police, Downstate Fire, State Employees' Retirement System and Judges Retirement System Articles of the Illinois Pension Code (Articles 2, 3, 4, 15 and 18). This change requires the adopted actuarial tables to be used to determine the amount of all benefits, including optional forms of benefits. The statutory revision requires optional forms of benefits to be the actuarial equivalent of the normal benefit. This Public Act also provides that, upon termination of the trust or upon the complete discontinuance of contributions to the trust, the rights of all employees to benefits accrued to the date of such termination or discontinuance, the extent then funded, or the amounts credited to the employees' accounts are non-forfeitable.

Public Act 98-1117 also adds provisions relating to a mistake in benefit awarded to a pensioner. Specifically, if the System mistakenly sets any benefit at an incorrect amount, it must recalculate the benefit as soon as practicable after the mistake is discovered. The statutory change provides administrative details on how to remedy a mistake in benefit.

Finally, this Public Act amends the Social Security Enabling Act (Article 21 of the Code) to authorize the election of optional Medicare coverage by downstate and Chicago police and firefighter pension funds.

Public Act 98-1117 has an effective date of August 26, 2014.

**PA 98-0622**

Public Act 98-0622 amends the Article 1 and the Chicago Park Employees' and Retirement Board Employees' Retirement Annuity and Benefit Fund Article of the Illinois Pension Code (Article 12) to increase employee and employer contributions, increases the multiplier cap through FY 2019, and thereafter requires

actuarial funding designed to bring the Fund to a 90% funding ratio by 2050. This statutory change increases the retirement age for certain Tier 1 persons and decreases the retirement age for certain Tier 2 persons. This Public Act also decreases the automatic annual increases in retirement annuities for Tier 1 persons, as well as the duty disability benefit. Public Act 98-0622 includes provisions relating to the use of contributions for health care subsidies, funding obligations, and new benefit increases. Public Act 98-0622 has an effective date of June 1, 2014.

## **RECOMMENDATIONS OF THE DIVISION FOR LEGISLATIVE AND ADMINISTRATIVE CORRECTION**

This Section is devoted to the recommendations for legislative and administrative correction that the Division deems necessary for the next biennial period. Section 1A-108 of the Illinois Pension Code provides that the “report shall also include ... any specific recommendations for legislative and administrative corrections that the Division deems necessary. The report may embody general recommendations concerning desirable changes in any existing pension, annuity, or retirement laws designed to standardize and establish uniformity in their basic provisions and to bring about an improvement in the financial condition of the pension funds.” (40 ILCS 5/1A-108).

The Division has three main recommendations for the next biennial period:

First, the Division recommends that the investment assets of the downstate police and fire pension funds be consolidated in order to increase the rate of return on the funds’ assets. Upon consolidation of investment assets, the funds may witness significant decrease in investment management fees, and experience opportunities to access a broader array of asset classes. The combination of assets will increase the buying power of the funds.

Second, the Division recommends that the requirements of the Division to perform compliance audit examinations be changed from a three (3) year cycle to a periodic examination cycle based on a risk-review framework. The risk-review framework will include periodic reviews of compliance with material issues; funds that fall outside that standard deviation will be audited. This will afford the state’s Pension Boards to experience efficiency and a risk-focused review of their operations and management. As a result, the Pension Boards will receive directives from the Division on corrective measures that shall be undertaken to achieve compliance with the Pension Code.

Third, the Division intends to update and amend the Administrative Code regulations regarding pensions to reflect changes in the law, clarify the Department’s position on various matters (including the definition of salary for pension purposes), and to simplify the processes and procedures with which public pension funds and retirement systems in the state must comply.

## **INTRODUCTION**

This Section is devoted to the presentation of statistical, financial and actuarial summary data of all public pension funds and retirement systems in the State; and to show the overall condition of the pension funds and retirement systems operating for the benefit of public employees in the State of Illinois.

The financial and statistical information presented was compiled from annual reports submitted to the Department of Insurance by each fund or system as required by Section 1A-109 of the Illinois Pension Code. For the Chicago, Cook County and Statewide funds, actuarial data was obtained from the consulting actuary of each system. In the case of the suburban and downstate police and firefighter funds, the actuarial data was gathered and prepared by the Public Pension Division even though, in some instances, the municipality or the fund trustees have employed their own independent actuary for purposes of determining the actuarial valuation pursuant to the financing provisions of the Illinois Pension Code.

All numbers presented in this chapter reflect the close of the most recently completed fiscal year (2014) as reported to the Division. Please note that this data is based on the data filed with the Department and certified by the filing party. The Department is not able to independently verify data filed with the Division; however, data filed with the Division is reviewed for reasonableness before it is accepted by the Division.

## INTRODUCTION

This Section is devoted to the presentation of statistical, financial and actuarial data for the last ten (10) fiscal years for each of the 672 public pension funds and retirement systems in the State. This Ten (10) Year Profile Report shows the overall financial condition and historical information of the pension funds and retirement systems operating for the benefit of public employees in the State of Illinois. The goal of these reports is to show the status of the funds as couched in historical trends and data. Please note that many municipalities hire their own Independent Actuary to perform actuarial valuations. The Independent Actuary may choose different actuarial assumptions than those used by the Division's Enrolled Actuary, resulting in actuarial data that varies from the calculations produced by the Division.

The financial and statistical information presented was compiled from annual reports submitted to the Department of Insurance by each fund or system as required by Section 1A-109 of the Illinois Pension Code (40 ILCS 5/1A-109). Actuarial data was obtained from the consulting actuary of each system for the statewide pension funds. Actuarial data for suburban and downstate police and fire funds was obtained from P.A.S.S. and Enrolled Actuary's actuarial valuations. In the case of the statewide pension funds and retirement systems, the Division's financial analyst provided a copy of the Ten (10) Year Profile Report in advance of publication to the fund for review and comment. In the case of the suburban and downstate police and firefighter funds, the data was gathered and prepared by the Public Pension Division.

Please note that for data prior to 2012; the "Accrued Actuarial Liability" was not based on the market value of assets "smoothed" over five (5) years. Additionally, investment returns and payroll growth rates were calculated using an internal rate of return (xIRR) function in Microsoft excel. These annualized returns and growth rates are computed for a ten year period. When computing investment returns, non-investment related cash flows were assumed to have occurred in the middle of the fiscal year. Further, please note that each type of fund (statewide vs. downstate police and fire funds) has an associated set of endnotes that explains the data set and provides detailed explanations and important clarifications for the associated profile reports. The Division encourages the reader to review the 10 Year Profile Report in conjunction with the associated endnotes and Appendix A, which contains definitions of key terms used in the 10 Year Profile Reports.

All numbers presented in this chapter reflect the close of the most recently completed fiscal year (2014) as reported to the Division. The data is pulled from P.A.S.S. on a ten (10) year rolling data set. Therefore, if any fund has already filed their FYE 2014 annual statement and it has been accepted by the Division, the Ten (10) Year Profile Report may contain a column for 2015. Please note that this data is based on the data filed with the Department and certified by the filing party.

The following funds dissolved during the biennial period are not included in the Biennial Report: Fox River Grove Fire Protection District, and Harvard Fire Protection District. The following funds' data was corrupted and are not included in the Biennial Report: Lake Villa Fire Protection District, Robbins Fire, Washington Park Fire, and Hometown Police.

The following funds do not have ten (10) years of data and therefore, their Ten (10) Year Profile Report is based on available data only and may not include internal rates of return or payroll growth data: Benton Fire, Benton Police, Bristol Kendall Fire, Campton Hills Police, Carterville Fire, Carterville Police, Coal City Fire, Elburn Police, Eureka Police, Fox Lake Fire Protection District, Genoa Police, Hampshire Police, Harlem Roscoe Fire, Jerseyville Fire, Kildeer Police, Manhattan Police, McHenry Township Fire, Monee Police, Montgomery and Countryside Fire, Morris Fire, Mt. Zion Police, Peotone Police, South Chicago Heights Fire,

Stillman Fire Protection District, Troy Fire Protection District, Wauconda Fire Protection District and  
Wilmington Fire Protection District.

1. For persons hired since July 1, 1996, compensation limits set under section 401(a)(17) of the Internal Revenue Code. The limit was \$260,000 for 2014.
2. For Tier 2 members, the compensation limit is \$110,631 in FY2014, increasing by 3% annually or half the rate of inflation (CPI-U), whichever is less.
3. Police Officers contribute 7.0%. Of which, 0.5% of their contributions goes toward automatic increase in annuity after retirement and employers contribute the balance of cost.
4. Rate set January 1, 1954.
5. An amount not to exceed the total amount of contributions made by the police officers in the calendar year two years prior to the year of levy multiplied by 1.65 for the year 1972; by 1.85 for 1973; 1.90 for 1974; 1.97 for 1975; and, by 2.00 for the tax levy year 1982 and each year thereafter.
6. Tier 2 members may begin an annuity as early as age 50 with 10 years of service. Early reduction factor applies,  $\frac{1}{2}$  of 1% for each month that the Police Officers age is under 55 (6% annually)
7. If the disability resulted from any physical defect, mental disorder, or disease which existed at the time the injury was sustained, then the 50% duty disability applies.

IMRF Endnotes:

IMRF has three formulas with different vesting rights, benefit calculations, normal costs, retirement age, disability benefits, and employee contributions. These endnotes apply to all formulas in most instances and formula specific in other instances.

1. The salary Cap does not apply to Tier 1 members under any formula.
2. Tier 2 salary caps, vesting rights, and benefit calculations were established in P.A. 96-6 (40 ILCS 5/1-160) for employees hired after January 1, 2011, without prior qualifying service credit.
3. Members of IMRF – Regular Plan Members are covered by Federal Social Security and Medicare programs. Social Security and Medicare taxes are paid by both the employee (7.65%) and the employer (7.65%). These taxes are in addition to the current service fees indicated in the narrative.
4. Members pay 0.75% for survivor annuities.
5. Tier 1 Regular members can retire as early as age 55, but the annuity is reduced  $\frac{1}{4}$  of 1% for the lesser of each month the age is less than age 60 or each month of service less than 35 years.
6. Tier 2 Regular members can retire as early as age 62, but the annuity is reduced by  $\frac{1}{2}$  of 1% for the lesser of each month the age is less than 67 or each month of service less than 35 years.
7. Members who retire with less than 20 years of service may qualify for an annuity under the Regular IMRF formula.
8. Tier 2 SLEP members can retire as early as age 50, but the annuity is reduced  $\frac{1}{2}$  of 1% for each month under the age of 55.
9. Sheriffs; chief deputies; full-time deputy sheriffs; Forest Preserve District rangers; police chiefs; and, airport police.
10. Annuity reduced  $\frac{1}{1}$  of 1% for the lesser of each month between ages 55 and 60 or for each month of service less than 35 years.
11. Members who earned service credits prior to January 1, 1962, may qualify for a money purchase pension with less than 8 years of service if the amount thereof is \$10 or more per month.
12. Members who retire with less than 20 years of service may qualify for an annuity under the regular IMRF formula.
13. A firefighter with at least 10 but less than 20 years of creditable service may receive a monthly pension at age 60 at the following rates:
  - a. For 10 years of service - 15% of salary
  - b. For 11 years of service – 17.6%
  - c. For 12 years of service - 20.4%
  - d. For 13 years of service – 23.4%
  - e. For 14 years of service – 26.6%
  - f. For 15 years of service – 30.0%
  - g. For 16 years of service – 33.6%
  - h. For 17 years of service – 37.4%
  - i. For 18 years of service – 41.4%
  - j. For 19 years of service – 45.6%
14. A police officer having at least 8 but less than 20 years of credible service may receive a monthly pension at the rate of 2.5% of salary for each year of credible service.
15. Unmarried orphans under age 18, payable if no spouse survives or on death of spouse.
16. Temporary disability benefits may not exceed 2  $\frac{1}{2}$  years. Total and permanent disability benefits will follow, provided the member is totally and permanently disabled and unable to engage in any gainful employment. Payments are offset by Federal Social Security benefits and Workers' Compensation benefits.

Endnotes:

1. For persons hired since July 1, 1996, compensation limits set under section 401(a)(17) of the Internal Revenue Code. The limit was \$260,000 for 2014.
2. For Tier 2 members, the compensation limit is \$110,631 in FY2014, increasing by 3% annually or half the rate of inflation (CPI-U), whichever is less.
3. As of January 1, 1960, Municipal employees contribute ½ of 1.0% of salary toward automatic increase in annuity after retirement and employers contribute the balance of cost.
4. Employees in the Chicago Municipal and Laborers' contribute 7% of salary for employee annuity beginning in 2015, with an additional ½ percent for automatic annuity increases and 1.5% for spouse/survivor annuity for a total of 11% in 2019.
5. An amount not to exceed the total amount of contributions made by the employees of the fund in the calendar year two years prior to the year of levy multiplied by 1.25 for the years 1999 through 2014; 1.85 for 2015; 2.15 for 2016; 2.45 for 2017; 2.75 for 2018; 3.05 for 2019; and, a contribution of normal cost plus amortization of the unfunded liability to funding of 90% by the end of 2055 for each year thereafter to 2055. For payment years after 2055, the contribution will be equal to amount needed to bring the funded ratio to 90% funded by the end of the year and each year thereafter.
6. Tier 1 – 2.4% per year of service at age 50 with at least 30 years of service. At age 55 (reduced) with at least 20 years of service. At age 60 with at least 10 years of service.
7. Tier 2 – 2.4% per year of service with at least 10 years or at age 60 reduced.
8. For Chicago Municipal and Laborers', reduce ¼ of 1% for each month below age 60 if retirement occurs between 55 and 60 years. For Tier 1 – No discount for 30 years of service at age 50 or 25 years of service at age 55 for retirement on or after June 27, 1997. For Chicago Municipal and Laborers' Tier 2, beginning January 1, 2015, reduce ½ of 1% for each month below age 65 if retirement occurs between age 60 and 65.
9. Based on average salary for the highest four consecutive years (Tier 1) or eight consecutive years (Tier 2) within the last ten years.
10. Upon attainment of age 65 with 15 years of service or more, an alternative is 1% of average salary per year of service, plus \$25 per year.
11. Beginning January 1, 2015, for Municipal and Laborers an automatic increase in annuity after retirement is provided in an amount equal to the lesser of 3% or ½ of the percentage increase in the CPI-U for the preceding year. Increase is based on the original annuity or the 2014 annuity for those already receiving an annuity. The increase begins one year later than January of the year of the first payment date following the earlier of: 1. the later of the 3<sup>rd</sup> anniversary of retirement and age 53; and, 2. the later of the first anniversary of retirement and age 60. Minimum increase of 1% of applicable annuity if annuity is less than \$22,000 per year. No increases in 2017, 2019, or 2025, except for those receiving less than \$22,000 per year.
12. For Laborers and Municipal Tier 2 members, an automatic increase in annuity in an amount equal to the lesser of 3% or ½ of the increase in the CPI-U for the preceding year. Beginning in January 2015, the increase begins in January following the later of age 65 or the second anniversary of retirement. No increase in 2025.

Endnotes:

1. For persons hired since January 1, 1996, compensation limits set under section 401(a)(17) of the Internal Revenue Code. The limit was \$260,000 for 2014.
2. For Tier 2 members, the compensation limit is \$110,631 in FY2014, increasing by 3% annually or half the rate of inflation (CPI-U), whichever is less.
3. County employees contribute  $\frac{1}{2}$  of 1.0% of salary toward automatic increase in annuity after retirement and employers contribute the balance of cost.
4. Rate set January 1, 1954.
5. For years 1972 through 1977, tax is an amount not to exceed the total amount of contributions made by the employees in the calendar year two years prior to the year of levy multiplied by 0.8. After 1977, the rates are 0.87 for 1978; 0.94 for 1979; 1.02 for 1980; 1.10 for 1981; 1.18 for 1982; 1.36 for 1983; 1.54 for 1984 and each year thereafter.
6. For Tier 1 members, the minimum retirement age is 50 with 10 years of service.
7. Tier 2 members may begin an annuity as early as age 62 with 10 years of service.
8. Tier 1 - Payable in full upon retirement at age 60 or over. Reduce  $\frac{1}{2}$  of 1% for each month below age 60 if retirement occurs between 50 and 60 years. No discount with over 30 years of service. Tier 2 – Payable in full upon retirement at age 67 or over. Reduce  $\frac{1}{2}$  of 1% for each month below age 67 if retirement occurs between 62 and 67 years of age.
9. Upon attainment of age 65 with 15 years of service or more, an alternative is 1% of average salary per year of service plus \$25 per year.
10. Effective June 22, 1988, an elected county official can obtain alternative benefits in lieu of the regular retirement annuity of 3% for each of the first 8 years; 4% for the next 4 years; and, 5% thereafter up to a maximum of 80% of final salary by contributing 3% of salary plus interest for his service. Spousal annuity is  $66\frac{2}{3}\%$  of the employee's annuity.
11. For Tier 1 employees, the annuity is based on average salary for the highest four consecutive years. For Tier 2 employees, the annuity is based on the average for the highest consecutive 96 months within the last 10 years.
12. Members of County Police Department, if employed as Deputy Sheriffs, who withdraw from service after December 31, 1987, with at least 20 years of service are entitled to an annuity of 50% of average annual salary plus an additional 2% for each year or partial year in excess of 20 years up to a maximum of 75%.
13. The annuity is discounted by  $\frac{1}{2}$  of 1% for the lesser of each month under age 60 at retirement for those retiring prior to age 60, unless 30 or more years of service.
14. Additional optional benefits of 1% per year of service are available if the employee contributes 3% of salary plus interest for all years of service.
15. Members of the County Police Department contribute 7%.

Endnotes:

1. For persons hired since January 1, 1996, compensation limits set under section 401(a)(17) of the Internal Revenue Code. The limit was \$260,000 for 2014.
2. For Tier 2 members, the compensation limit is \$110,631 in FY2014, increasing by 3% annually or half the rate of inflation (CPI-U), whichever is less.
3. Forest Preserve District employees contribute  $\frac{1}{2}$  of 1.0% of salary toward automatic increase in annuity after retirement and employers contribute the balance of cost.
4. Rate set January 1, 1954.
5. Tax is an amount equal to the total amount of contributions made by the employees to the fund made in the calendar year two years prior to the year of levy multiplied by 1.25 for the year 1973 and 1.30 for the years 1973 and each year thereafter.
6. For Tier 1 members, the minimum retirement age is 50 with 10 years of service.
7. Tier 2 members may begin an annuity as early as age 62 with 10 years of service.
8. Tier 1 - Payable in full upon retirement at age 60 or over. Reduce  $\frac{1}{2}$  of 1% for each month below age 60 if retirement occurs between 50 and 60 years. No discount with over 30 years of service. Tier 2 – payable in full upon retirement at age 67 or over. Reduce  $\frac{1}{2}$  of 1% for each month below age 67 if retirement occurs between age 62 and 67 years.
9. Upon attainment of age 65 with 15 years of service or more, an alternative is 1% of average salary per year of service plus \$25 per year.
10. Spousal annuity is  $66\frac{2}{3}\%$  of the employee's annuity.
11. For Tier 1 employees, the annuity is based on average salary for the highest four consecutive years. For Tier 2 employees, the annuity is based on the average for the highest consecutive 96 months within the last 10 years.
12. The annuity is discounted by  $\frac{1}{2}$  of 1% for the lesser of each month under age 60 at retirement for those retiring prior to age 60, unless 30 or more years of service.
13. Additional optional benefits of 1% per year of service are available if the employee contributes 3% of salary plus interest for all years of service.

Endnotes:

1. For persons hired since July 1, 1996, compensation limits set under section 401(a)(17) of the Internal Revenue Code. The limit was \$260,000 for 2014. For Tier 2 members, the compensation limit is \$110,631 in FY2014, increasing by 3% annually or half the rate of inflation (CPI-U), whichever is less.
2. As of January 1, 1964, Laborers' contribute an additional ½ of 1.0% of salary toward automatic increase in annuity after retirement and employers contribute the balance of cost.
3. Employees in the Chicago Municipal and Laborers' contribute 7% of salary for employee annuity beginning in 2015, with an additional increase of ½ of 1% of salary each year through 2019 to become 9% of salary for employee annuity plus ½ percent for automatic annuity increases and 1.5% for spouse/survivor annuity for a total of 11% in 2019.
4. An amount not to exceed the total amount of contributions made by the employees of the fund in the calendar year two years prior to the year of levy multiplied by 1.0 for the years 1999 through 2014; 1.6 for 2015; 1.9 for 2016; 2.2 for 2017; 2.5 for 2018; 3.8 for 2019; and, a contribution of normal cost plus amortization of the unfunded liability to funding of 90% by the end of 2055 for each year to 2055. For payment years after 2055, the contribution will be equal to amount needed to bring the funded ratio to 90% funded by the end of the year and each year thereafter.
5. Tier 1 – 2.4% per year of service at age 50 with at least 30 years of service. At age 55 (reduced) with at least 20 years of service. At age 60 with at least 10 years of service.
6. Tier 2 – 2.4% per year of service with at least 10 years or at age 60 reduced.
7. For Chicago Municipal and Laborers', reduce ¼ of 1% for each month below age 60 if retirement occurs between 55 and 60 years. For Tier 1 – No discount for 30 years of service at age 50 or 25 years of service at age 55 for retirement on or after June 27, 1997. For Chicago Municipal and Laborers' Tier 2, beginning January 1, 2015, reduce ½ of 1% for each month below age 65 if retirement occurs between age 60 and 65.
8. Based on average salary for the highest four consecutive years (Tier 1) or eight consecutive years (Tier 2) within the last ten years.
9. Upon attainment of age 65 with 15 years of service or more, an alternative is 1% of average salary per year of service, plus \$25 per year.
10. Beginning January 1, 2015, for Municipal and Laborers an automatic increase in annuity after retirement is provided in an amount equal to the lesser of 3% or by ½ of the percentage increase in the CPI-U for the preceding year. Increase is based on the original annuity or the 2014 annuity for those already receiving an annuity. The increase begins one later the January of the year of the first payment date following the earlier of: 1. the later of the 3<sup>rd</sup> anniversary of retirement and age 53; and, 2. the later of the first anniversary of retirement and age 60. Minimum increase of 1% of applicable annuity if annuity is less than \$22,000 per year. No increases in 2017, 2019, or 2025, except for those receiving less than \$22,000 per year.
11. For Laborers and Municipal Tier 2 members, an automatic increase in annuity in an amount equal to the lesser of 3% or ½ of the increase in the CPI-U for the preceding year. Beginning in January 2015, the increase begins in January following the later of age 65 or the second anniversary of retirement.
12. Public Act 98-0641 (SB-1922) was passed by the General Assembly effective June 9, 2014. The provisions of PA 98-0641 reduced the Actuarial Accrued Liabilities of the fund for FYE 2014. On July 24, 2015, PA 98-0641 was ruled unconstitutional by the Cook County Circuit Court.

Non-

Occupational Disability Benefit:

Temporary – 50% from 31<sup>st</sup> day. For those hired after 6/13/97, no pay for first 3 days unless continuous disability for minimum of two weeks.

Endnotes:

1. For persons hired since July 1, 1996, compensation limits set under section 401(a)(17) of the Internal Revenue Code. The limit was \$260,000 for 2014.
2. For Tier 2 members, the compensation limit is \$110,631 in FY2014, increasing by 3% annually or half the rate of inflation (CPI-U), whichever is less.
3. Beginning in 2014 MWRD Tier 1 members contribute 1.5% of salary toward automatic increase in annuity after retirement. Tier 2 members contribute ½% of salary toward automatic increase in annuity after retirement.
4. Rate set July 14, 1949.
5. The minimum retirement age is 50 for those who entered service prior to June 13, 1997, and age 55 for those who entered service on or after June 13, 1997.
6. For Tier 1 members, the minimum service for an annuity is 10 years at age 50 (55 if hired after June 13, 1997). Members leaving service after age 50/55, but before age 60 with between 5 and 10 years of service may begin an annuity at age 62. Tier 2 members may begin an annuity as early as age 62 with 10 years of service.
7. Effective June 22, 1988, an elected county official can obtain alternative benefits in lieu of the regular retirement annuity of 3% for each of the first 8 years; 4% for the next 4 years; and, 5% thereafter up to a maximum of 80% of final salary by contributing 3% of salary plus interest for his service. Spousal annuity is the greater of 66 2/3% of the employee's annuity or 60% + 1% of years of service to the maximum of the employee's salary.
8. For Tier 1 employees, the annuity is based on average salary for the highest two consecutive years within the last ten years. For Tier 2 employees, the annuity is based on the average for the highest consecutive 96 months within the last 10 years.
9. For Tier 1 annuitants, an automatic increase of 3% of the then current annuity is payable on the first day of the month in which the first anniversary of retirement occurs and each year thereafter. For Tier 2 annuitants, an automatic increase of ½ of the CPI-U is applied starting with the annuity payment made January 1 after the 67<sup>th</sup> birthday or the first anniversary of retirement, whichever is later. This increase is not compounded.
10. For Tier 1 employees, the annuity is discounted by ½ of 1% for the lesser of each month under age 60 or under 30 years of service for retirement between age 50 and age 60 (for those hired after June 13, 1997, between the age of 55 and age 60). For Tier 2 employees, the annuity is discounted by ½ of 1% for each full month that the employee is less than age 67.

Occupational Disability: Benefits are paid if you are unable to work due to a work-related illness or injury. Benefits begin when SERS determines you are disabled under Workers' Compensation or Occupational Diseases Act and are removed from the agency payroll. The benefit shall equal 75% of your final average compensation or your monthly rate of pay on the date you were removed from the payroll, whichever is greater.

Temporary: This benefit is available in disputed Workers' Compensation cases when your agency has formally denied all benefits, and an appeal has been filed with the Illinois WCC. After meeting criteria, benefits shall begin on the 31<sup>st</sup> day from the date you last received, or had a right to receive any compensation if your claim was denied by the Workers' Compensation Act and shall equal 50% of your final average compensation or your monthly rate of pay on the date you were removed from payroll, whichever is greater.

Non-Occupational Disability: Requires 18 months of service credit, benefits start on the 31<sup>st</sup> day after your absence from work. Your disability benefit equals 50% of your final average compensation or your monthly rate of pay on the date you were removed from the payroll, whichever is greater.

Endnotes:

1. Tier 2 applies to all members who started after January 1, 2011, and had no prior State service.
2. For retirement annuity, employee contribution is 7% without Social Security and 3.5% with Social Security coverage.
3. Spouse and survivor annuity is 1% without Social Security and 0.5% with Social Security.
4. Retirement at age 60 with 8 years of service credit, or at age 55 with 25 years of service credit reduced ½ of 1% for each month under age 60.
5. At any age with 35 years of service credit age or at any age when your age plus years of service equal 85 (Rule of 85).
6. For Tier 2 at age 67 with 10 years of service for full annuity. At age 62 with 10 years of service reduced by ½ of 1% for each month under age 67.
7. Surviving spouse.
8. Reduced by ½ the amount of Social Security benefit for those covered by Social Security.

Endnotes:

1. For Tier 1 persons hired since January 1, 1996, compensation limits set under section 401(a)(17) of Internal Revenue Code.
2. For Tier 2 members the compensation limit is \$110,631 in FY2014, increasing by 3% or half the rate of inflation (CPI-U), whichever is less.
3. Retirement annuity reduced 1/2 of 1% for each month under age 60 for Tier 1 or age 67 for Tier 2 for members retiring after June 1, 1980, and before July 1, 2016, and within 6 months of the last day of employment and making a onetime lump sum payment to the system may receive unreduced annuity with an additional contribution from the employer.
4. Beginning May 27, 1998, members can upgrade service earned under the graduated formula by making a specified optional contribution (1% of pay per year of service; maximum contribution of 20%) and retire under the 2.2% formula. For members continuing to teach, every three full years worked under the new 2.2% formula reduces the number of years to be upgraded by one year. Other provisions apply. All years of service for Tier 2 members accrue at 2.2%.
5. Surviving spouse.

1. For participants after 1/1/1996, the maximum is set by IRC 401A17. For participants before 1/1/1996, there is no maximum.
2. Increases annually by the lesser of  $\frac{1}{2}$  of 1% of the increase in the CPI-U for the preceding year or 3%.
3. An actuarial study is performed annually by the Department of Insurance to determine the tax levy for the next fiscal year. The fund may retain an independent actuarial consultant to do its study and use the lower actuarially recommended contribution to establish its tax levy for the next fiscal year in lieu of the Department's suggestion. The recommended levy includes the amortization of unfunded liabilities less the employees' contributions.
4. A Tier 1 police officer with at least 20 years of service may begin receiving an annuity equal to 2.5% for each year of service at age 50 years, but not more than 75%.
5. A Tier 1 police officer having at least 8 but less than 20 years of service may begin receiving an annuity equal to 2.5% for each year of service at age of 60 years.
6. A Tier 2 police officer age 55 or more who has 10 or more years of service in that capacity is entitled to a pension equal to 2.5% per year of service.
7. A Tier 2 police officer age 50 with 10 or more years of service will be entitled to a pension equal to 2.5% per year of service less  $\frac{1}{2}$  of 1% for each month under age 55.
8. The monthly pension of a police officer who retires after January 1, 1986, shall be increased, upon either the first of the month following the first anniversary of the date of retirement if the officer is 55 years of age or over, or upon the first day of the month following attainment of age 55 if it occurs after the first anniversary of retirement, by  $\frac{1}{12}$  of 3% of the originally granted pension for each full month that has elapsed since the pension began, and by an additional 3% of the originally granted pension in January of each year thereafter.
9. The monthly pension of a person who first becomes a police officer on or after January 1, 2011, (Tier 2) shall be increased on the January 1 occurring either on or after the attainment of age 60 or the first anniversary of the pension start date, whichever is later. Each annual increase shall be calculated at 3% or one-half the annual unadjusted percentage increase (but not less than zero) in the CPI-U for the 12 months ending with the September preceding each November 1, whichever is less, of the originally granted pension. If the annual unadjusted percentage change in the consumer price index-u for a 12-month period ending in September is zero or, when compared with the preceding period, decreases, then the pension shall not be increased.
